Welcome to Pride Month!

Pride and learning have always walked hand in hand. At Learnerbly, we believe in the power of education to drive change and foster inclusion. While meaningful progress has been made for LGBTQ+ individuals globally, many still face discrimination, harassment, and discomfort in the workplace.

Our mission this Pride Month is to shine a light on the importance of LGBTQ+ inclusion and equip you with the resources to be a catalyst for positive change within your organization.

- Explore useful resources available on the Learnerbly platform.
- Promote LGBTQ+ inclusion within your teams.
- Encourage proactive steps towards creating a more inclusive and supportive workplace for everyone.

Resources in this kit:

- A guide to useful LGBTQ+ resources on the Learnerbly platform
- 6 Employee Tips for Creating an LGBTQIA+ Inclusive Workplace Poster
- How to Establish an LGBTQ+ Employee Network Group
- LGBTQ+ Resource Playlist Poster for Slack/Teams/Email

Join us this Pride Month in promoting learning, awareness, and inclusion for all.
